Performance Sailing

St. Thomas USVI

Be A Sailing Rock Star!

This is the real deal.

Whatever your level of experience, our crew and yachts will inspire you.

Ever thought you could skipper a multi-million dollar racing sailboat and win? Well now you can - it's not about who you know anymore! Feel the thrill of this exciting sport aboard our high performance, Bruce Farr designed yachts.

Our professional crew will guide you through the key elements of making your boat the fastest on the water! You are part of the team, racing state of the art yachts that continue to successfully compete in major regattas around the globe. These race boats will inspire you with every movement, tack and gybe! So come and experience sailing in the azure blue warm waters of the Caribbean!

Cross the finish line and celebrate with our Island Rum Punch. Photographs of your race and exclusive ONDECK Racing Team gear are available for purchase. See your tour desk for tickets.
